Griffith University, Australia and Padmashree Dr. D Y Patil University, Navi Mumbai

This unique first of its kind program is being launched in India jointly by the Griffith University, Australia and Padmashree Dr. D Y Patil University, Navi Mumbai

Griffith University and Padmashree Dr. D.Y. Patil University are among the most innovative and dynamic universities, located in their respective nation's fastest growth regions. Griffith University is a government funded University, and is home to over 38,000 students with over 9,000 students from 125 countries. It is ranked in the top 4% of universities worldwide.

Border – Gavaskar Scholarship

Griffith University offers the **Border – Gavaskar Scholarship** to one student every year for a Masters coursework program. A student opting for any course will be considered for this scholarship and the one with the best academic results will win it. The scholarship pays for everything from tickets - to and fro, living expenses and tuition fees. It amounts to about Australian \$50,000 – 60,000 a year. The condition is that the student has to return to India to contribute to the development of the country.

Launch function

On 10 November 2009 at 11 am, **Professor Ian O'Connor, Vice-Chancellor, Griffith University** will formally launch the Bachelor of Exercise Program and the Border-Gavaskar Scholarship, along with Padmashree Dr. D Y Patil University.
